MESSAGE FROM CMD

It gives me immense pleasure to pen few words on the occasion of release of the 11th Newsletter of PSTCL.

PSTCL, since its inception, has accomplished its plan and programmes in executing transmission projects and also in implementing some of the best business practices. With the untiring efforts of all our employees, the performance of the Corporation for the past few years has been quite satisfactory though a lot more need to be done to make the Corporation a more efficient utility. It is really a challenging task to take system to a desired level which will contribute to value addition. For this, all employees have to work as a bonded team for the success of an organization. We have been implementing various best practices for the efficient functioning of the corporation and this will continue in future too.

I convey my warm regards and best wishes to all the employees of PSTCL and their family members.

A Venu Parsad, IAS

Punjab State Transmission Corporation Limited (PSTCL) has been adjudged as 1st Runner up under the category 'Best State Transmission Utility' and State Load Dispatch Centre (SLDC), Punjab has been adjudged as 1st Runner up under the category 'Best State Load Dispatch Centre' by the Indian Power Producers Association of India (IPPAAI) during its Power Awards 2016 ceremony held at Goa from 22 to 25 Sept, 2016. This event is supported by MINISTRY OF COAL, MINISTRY OF POWER, MINISTRY OF NEW & RENEWABLE ENERGY, GOVT. OF INDIA and is India's most exclusive event where heads of industries interact closely and share ideas with the Regulators, Government Policy Makers, Decision Makers of IPPs, Transcos, Discoms, Gencos, Renewable Energy Firms etc. These prestigious awards were received by Er. Shashi Prabha, Director/Technical and Er. Sarbjit Singh Mal, Chief Engineer/SLDC.

Participation of Director/Technical, PSTCL in the Capacity Building Programme at Germany and Spain.

Er.Shashi Prabha, Director/ Technical represented PSTCL and took part in deliberation in the Capacity Building Programme on integration of renewable energy sources into the Grid w.e.f. 11-07-2016 to 19-07-2016 held at Germany and Spain.

Hon'ble PSERC Chairman & Member, PSERC Visit SLDC

Hon'ble Chairman PSERC Sh. D.S.Bains (IAS Retd.) and Member PSERC Sh. S.S.Sarna visited SLDC complex on 29th July 2016. Hon'ble Chairman & Member were accorded a warm welcome on their arrival in SLDC by Sh. U.K. Panda, Director / F&C, PSTCL, Er.Shashi Prabha, Director/Technical, PSTCL, Er.K.L.Sharma, Director/Operation PSPCL and Er. S.S. Mal, Chief Engineer/SLDC.

Hon'ble Chairman assessed the impact of abolishing of PLRs allowed by the Commission for the Industrial consumers and steps taken for load Management through SLDC SCADA System of PSTCL in order to ensure uninterrupted supply during paddy season and PLR hours.

Hon'ble Commission was also apprised regarding prevailing loading conditions of power transformers, the control mechanism in force and the State of art technology implemented to monitor and control the real time system parameters.

A presentation on intra-state boundary metering, Open Access power transaction details and SLDC projects was also given by SLDC organization.

Celebrations

Independence Day, 2016

The Independence Day i.e. 15th August, 2016 was celebrated at Officer's Flats, Patiala with great enthusiasm by PSTCL. Flag hoisting Ceremony done by Chief Guest Sh. A. Venu Prasad, I.A.S., CMD, Sh. U.K. Panda, Director/ F&C and Er. Shashi Prabha, Director/ Technical were the Guest of Honours. This was followed by a Cultural Programme.

Glimpses of Independence Day, 2016

ਅਸਲ ਖੋਜ

ਰੱਬ ਆਖਦਾ ਬੰਦਿਆ ਸੰਭਲ ਜਾ ਓਏ,
ਤੇਰੀਆਂ ਹਰਕਤਾਂ ਦਾ ਕੋਈ ਹਾਲ ਹੈ ਨਹੀਂ।

ਲੱਭਦਾ ਫਿਰਦਾ ਐ ਕੀ ਤੂੰ ਗੁਹਿ ਮੰਗਲ ਉੱਤੇ,
ਆਪਣੇ ਆਪ ਦੀ ਕਰਦਾ ਕਿਉਂ ਭਾਲ ਹੈ ਨਹੀਂ।

ਨਾਪਣ ਨੂੰ ਜਾਨਾ ਐ ਡੂੰਘਾਈ ਸਮੁੰਦਰਾਂ ਦੀ,
ਤੇਰੇ ਵਿਚਲੇ ਸਮੁੰਦਰ ਦਾ ਤੈਨੂੰ ਕੋਈ ਖਿਆਲ ਹੈ ਨਹੀਂ।

ਉਲਝਿਆ ਫਿਰਦਾ ਐ ਤੁੱਛ ਸਵਾਲਾਂ ਅੰਦਰ,
ਏਸ ਤੋਂ ਗੁੰਝਲਦਾਰ ਕੋਈ ਮਾਇਆਜਾਲ ਹੈ ਨਹੀਂ।

ਹੋਸ਼ ਕਰ, ਮਾਰ ਝਾਤ ਅੰਦਰ,
ਮਿਲੇ ਨਾ ਜਵਾਬ ਫੇਰ, ਐਸਾ ਕੋਈ ਸਵਾਲ ਹੈ ਨਹੀਂ।

MAIN ACHIEVEMENTS OF P&M ORGANIZATION DURING 2ND QUARTER ENDING SEPTEMBER, 2016.

- Transmission availability for the quarter ending September, 2016 is 99.93% might be all time record during Paddy Season with available skeletal manpower. During this tenure one post of Dy.CE/P&M, Jalandhar, Two posts of Addl.SE and more than 70 posts of SSE remained lying vacant. Position would have been certainly more better had the above mentioned posts of Engineers would have been file, along with 114 ALMs. And about 20 SSAs working in TS Organization have been allowed to join P&M Organization as their pay is being charged to P&M Organization and the duty of SSA is only to man substation.
- Uninterrupted power supply provided during paddy season inspite of the fact that ICT-1 of 500MVA capacity at Bhalwan remained under shutdown due to technical snag. ICT-2 of 500MVA capacity at Bhalwan remained partially loaded due to formation of abnormal dangerous gases and ICT-3 of 500MVA capacity is still to commission due to wrong laying of foundation of cooling bank.
- Transmission system remained smooth inspite of the fact 3-4 times breakdown occurred in 220KV double circuit Khassa-Balachak line.
- 220KV substation, Majra commissioned during the first fortnight of July, 2016.
- 400KV substation Rajpura- ICT of 500MVA charged on 18/07/2016.
- 220KV substation, Badal commissioned on 11/08/2016.
- 220KV substation, Jadla commissioned on 12/08/2016.

Family Achievements

Ms. Jasmine Kaur D/o Smt. Parvinder Kaur, Sr. Astt, O/o A.O./ Pay & Accounts has won gold medal in Punjab School State, Under 17, Archery Championship held on 28th September, 2016 at Punjabi University, Patiala

Congratulations!
