

An email has been received from Punjab State Data Centre informing scheduled preventive maintenance activity at PSDC w.e.f. 06:00(PM) 14-Jan-2022 (Friday) to 06:00(AM) 15-Jan-2022 (Saturday). They have informed that during this activity period websites/ applications hosted at State Data Centre may not be available. PSTCL has hosted its website [pstcl.org](http://pstcl.org) & SLDC website [punjabsldc.org](http://punjabsldc.org) along with many other applications on SDC which may not be accessible during the period.

During this period, to access real-time SCADA data, <https://punjabscada.org/CorporateUI> may be visited. The credentials for the same can be taken from Sr. XEN/SCADA, PSTCL (Mob: 9646112561).

This is for your information please.
