Guidelines regarding selecting File Heads in e-Office for PSTCL while creating files:

01. All first time users/ new users are requested to follow the steps for logging into their email account as per Appendix-A.
02. The URL address for e-Office portal is <https://eofficepmb.punjab.gov.in> .and the link for the same is also made available on pstcl.org website. For logging into the e-Office all are requested to login with “local-part” without domain in the emails. In this regard it is brought out that the general format of an email address is like local-part@domain and the part before the @ symbol (local part) identifies the username of eoffice e.g. in case of mandeep.singh@punjab.gov.in, username is “mandeep.singh” and password is the same as has been received along with email-id on your official mobile no. if it is not changed or the one set by you as per Point 1 above.
03. Users are requested that new files be created as per their respective office requirement only as the files once created in eOffice cannot be deleted.
04. Further, the **File Heads (i.e. file numbering scheme for PSTCL)** in eOffice have been created as per Appendix-B, which are briefly explained as under:-
 - a. While creating a new file in eOffice, four selection boxes related to Basic, Primary, Secondary and Tertiary Heads are to be selected.

Example 1. In case of file being created by office of Director Technical

- PSTCL-DIRT/1/2020-Dir Tech (Basic Head Code is PSTCL + Primary Head Code is “DIRT”+ Secondary Head Code is “ ” (means not selected) + Tertiary Heads Code is “ ” (means not selected) + system generated file number in sequence + Current Year + Office Name)

Example 2. In case of file being created by office of CE/HIS& D

- PSTCL-HR/1/2020-HR (Basic Head Code is PSTCL + Primary Head Code is “HR”+ Secondary Head Code is “ ” (means not selected) + Tertiary Heads Code is “ ” (means not selected)+ system generated file number in sequence + Current Year + Office Name)

Note: Here 0 between HR0IT is a separator between HR & IT codes.

Example 4. In case of file being created by office of Sr. Xen/IT-1

PSTCL-HR0IT0IT-1/1/2020-IT Section (Basic Head Code is PSTCL + Primary Head Code is “HR”+ Secondary Head Code is “IT” + Tertiary Heads Code is “IT-

1 ” + system generated file number in sequence + Current Year + Section/Office Name) Note: Here 0 between HR0IT0IT is a separator

Example 5. In case of file being created by AM/IT in o/o Sr. Xen/IT-1

PSTCL-HR0IT0IT-1/1/2020-IT Section (Basic Head Code is PSTCL + Primary Head Code is “HR”+ Secondary Head Code is “IT” + Tertiary Heads Code is “IT-1 ” + system generated file number in sequence + Current Year + Section/Office Name) Note: Here 0 between HR0IT0IT is a separator

c. Thereafter the file creating user needs to enter the subject as the title of the file under Description. Selection of category of file i.e. Main/ Sub is optional.

05. All officers i.e. AEs/AOs equivalent and above level including Supdt. Grade-I/II, Dy. Secy./ Under Secy./ PA/ PS have been taken as users of e-Office.
